Sage Preferred Vendor Juice Marketing Launches Timberline Office Newsletter

Juice Marketing announces the launch of a new Sage Timberline Office newsletter that will be published quarterly. The newsletter is available for purchase by Sage Timberline Authorized partners that want to keep in touch with their customers and prospects in the construction and real estate industry.

Laguna Hills, CA – June 30, 2009 – Juice Marketing, LLC (www.juice-marketing.com), a Sage Preferred Vendor that provides cost-effective marketing products for the technology industry, announced the launch of a new Sage Timberline Office quarterly newsletter. It's the latest offering in their lineup of newsletters for Sage partners including Sage Accpac, Sage Abra HRMS, Sage MAS 90, Sage MAS 500, Sage MIP Fund Accounting, Sage SalesLogix, and now Sage Timberline Office. Subscriptions to the new [Sage Timberline Office Newsletter](#) are available for purchase and qualify for co-op reimbursement.

Sage product newsletters published by Juice Marketing deliver tips, tricks and in-depth articles that provide a marketing tool for Sage resellers to educate their customers and prospects about technology, maintain consistent communication, and help promote sales of add-on modules. The Sage Timberline Office newsletter will focus on the benefits of using software and technology designed specifically for contractors and companies in the construction and real estate industries.

The inaugural issue of the new Sage Timberline Office newsletter was published in May 2009 and features the following articles:

Find Success By Branching Out – a look at how construction companies are defying the global economic slowdown by using the right tools and technology to diversify their business into various industries and take advantage of multiple income streams.

Sage Releases Timberline Office Version 9.6 – a look at the new features of this latest release.
