

“Squeezing the Most Out of Your Marketing Dollar”

# CUSTOMER BUZZ

*Like a Success Story ... But Shorter*

Sometimes you have a customer (maybe even a handful ) who really enjoys working with you and happy to share their experience with others. You’d love to have a case study put together but there just isn’t enough “meat” for a full-blown [success story](#). That’s when you need the **Customer Buzz** program by Juice Marketing.

## OK, I’M LISTENING. TELL ME MORE

Customer Buzz is a one-page summary of just the top-level stuff. **The Challenge, The Solution, and The Results**. Sprinkle in a few quotes directly from the mouth of your customer and you’ve got a bite-sized marketing tool with a king-sized impact.

If a success story is the meal, Customer Buzz is the appetizer. Just enough to wet the palette of your prospects and leave them wanting more.

## THE DETAILS

Customer Buzz is available in [3 designs](#). Just choose the one you like best.

We interview your customer, create the “buzz”, and provide you with a great looking PDF to post on your website, email to your prospects, and/or print. We also provide the content in a Word document so you can copy and paste bits and pieces of it to your website (just like you would with customer testimonials).

Your customers are willing to sing your praises and help drive more business to your door ... let their voices be heard with the Company Buzz program by Juice Marketing.
