13 Free Press Release Submission Websites

Below is a list of FREE press release submission websites that we've compiled from a variety of sources.

If you're interested in how we combine keyword-optimized press releases with online newswire distribution to help Sage and Microsoft partners **achieve higher search engine rankings**, visit the Juice Marketing Press Release Program page at www.Juice-Marketing.com/press.

Website	Registration?	Notes
http://www.prlog.org	Yes	Juice Recommended 
http://www.betanews.com		
http://www.free-press-release.com		Juice Recommended 
http://www.clickpress.com	Yes	
www.PressReleasePoint.com		Juice Recommended 
http://www.newswiretoday.com	Yes	
http://www.openpr.com		
http://www.pressbox.co.uk		For European Businesses
http://www.1888pressrelease.com	Yes	
http://www.sanepr.com	Yes	
http://www.theopenpress.com	Yes	
http://www.pr-inside.com	Yes	
http://www.itbsoftware.com	Yes	

Notes: Some websites require registration as indicated in the "Register" column above. All sites offered a Free distribution option as of the date of this publication and many offer (for a fee) additional press release enhancements to improve online visibility. "Juice Recommended" indicates that we've used these services internally or for our clients and have seen very good results.
